FAQS

What should we wear in the kayaks?

- We recommend wearing your swimmers under board shorts/tights and a long sleeve lightweight top, along with a hat and sunglasses. If you wish to bring your swimmers/wetsuit in the kayak and get changed, we usually stop at the beach prior to a swim or snorkel.

Is fancy clothing required for the dinners?

- Not at all. The dress code is very casual. You can wear a dress, pants, top, or anything comfortable.

Does it get cold during the trip?

- Sometimes! We suggest bringing your thermal top and bottoms. If the wind picks up on the water and it's an overcast day, it can sometimes get chilly.

Where can I keep my valuables safe during the trip?

- We can lock a shed at the campsite, but we cannot guarantee the safety of personal valuables. We recommend bringing your phone and wallet with you in the kayak if you prefer.
